

ANANYAKRISHNAA

ISO 9001:2008 CERTIFIED

ENVIRONMENTAL POLICY

We at Ananyakrishnaa help the environment to prevent pollution by providing appropriate resources and also committed to:

- ✓ Conduct our construction activities in an environmentally responsible manner and minimize wastage.
- ✓ Conservation of natural resources.
- ✓ Complying to the applicable legal and other requirements pertaining to our industry.
- ✓ Involvement of the people for and on behalf of the organisation.
- ✓ Striving for continual improvement by setting periodic objectives and targets.

We shall make this policy available to public, on request.
